ANNOUNCEMENT OF COPYRIGHT RELEASE FEES

Articles accepted for publication and/or published in the *American Journal of Mental Deficiency*, in *Mental Retardation*, in special monograph form, or in any other publication of The American Association on Mental Deficiency may not be reprinted elsewhere without written permission from the copyright holder (AAMD) and the author(s). In all cases, release of copyright to any individual or group will be contingent upon evidence of permission from the authors(s).

Beginning May 1, 1971, a standard fee for release of copyright on material republished from publications issued by The American Association on Mental Deficiency will be instituted as follows: \$10 per journal page or \$5 per table or figure in cases where only a table or figure is requested, except when the requester is the author of the article to be reprinted or when the article is to be reproduced in a limited number of copies solely for instructional purposes and not for profit.

All requests for copyright release should be addressed directly to the Washington offices of The American Association on Mental Deficiency at 5201 Connecticut Avenue, N.W., Washington, D.C. 20015.
